Monday 17<sup>th</sup> December 2018

Dear Parents/Carers

This Friday is our last day in school before we finish for our Christmas holiday.

We would like to invite you to help us gather information about your child/children over the holiday by capturing any special moments or events to add to your child's Learning Journey.

Each child in Nursery and Reception has their very own special book all about them and the progress that they make over the course of the year. You are more than welcome to look in this book when you drop off or pick up your child at school. We capture lots of learning through the use of photographs and written observations; but the things they do at home are equally important and can tell us new things about what your child understands about the world around them, that they may not show us in school.

We would like to draw your attention to the 50 Things project in Bradford to help you with this. This project is about getting parents involved in a range of activities with their child/children, along with appropriate guidance that will make an impact. These activities have been carefully developed by Education experts & Early Years Practitioners.

50 Things is based on the simple notion that access to life-changing, fun, low-cost or no-cost experiences with your child/children is a great way to support and develop their early years skills.

Find more information at this website or download the app!

<https://bradford.50thingstodo.org/app/os#!50thingstodobefore5/whats-it-all-about>

If you do any of these exciting activities or new different ones we would love to know about it. Take a photo and write down what your child/children did and said, on the attached WOW form. Send these back in January and we will put them in your child's book.

Most importantly, the team want to wish you all a happy and healthy Christmas. Enjoy your family time together and we look forward to seeing you all again on Tuesday 7<sup>th</sup> January 2019.

Yours Sincerely

*Mrs Riley, Mrs Hargreaves, Mrs Greenhalgh,  
Mrs Webster & Mrs Rhodes*

# WOW

Write a brief note about what your child experienced, what they did and most importantly, what they said.
