

Early Years & Foundation Stage Newsletter 2019

Welcome back and many thanks from our team for all the well wishes, cards and gifts over the Christmas period. They were and still are very much appreciated. Our Nativity already seems to be such a long time ago and wishing you health and happiness for the New Year even seems out of date.

Nevertheless lets hope for health and happiness always.

This half term our theme is 'Around the World.' Nursery is having different stops around the world with quite a few being food related linked to their role play café.

Reception is starting at the top of the world and then going straight to the bottom mainly focusing on the poles.

Both Nursery and Reception will be focusing on Chinese New Year. (Tuesday 5th February 2019.) The Year of the Pig. We will be trying Chinese food, finding out what happens during Chinese New Year and doing a Dragon Dance. We will let you know about the dragon dance nearer the time.

Our theme after February half term is 'New Life.' (We close on Friday 15th February and reopen on Monday 25th February.) During this term Reception and Nursery are hoping to visit a farm together and as a school we hope to be able to watch chicks hatching.

Updates, help and support.

Mrs Sally Sugden has joined our Early Years Foundation Stage Team and will be working with Mrs Riley in Nursery. Sadly, Mrs Greenhalgh has left us for sunnier climates! We hope you will welcome Mrs Sugden who has worked in Year 2 at Myrtle park previously.

Please fill in a Wow Moment for your child so we can celebrate them and pop them in their learning journey. A paper copy is attached, these were also emailed earlier in the year if the paper copy has not arrived with your child.

Your child's learning Journey / books are always available for you to dip into and have a peep. So please feel free to have a look as you drop your child off.

Snack money is due for Nursery parents £3.00 per half term. (Thank you in advance.)

Reception parents can you have a look at your word walls with your child as we will be 'testing' your child on them this term. (Many thanks.)
