

Myrtle Park Primary School Nursery Questionnaire

Dear Parent/Carer(s),

We would like to give you the opportunity to complete a questionnaire, to help us further improve our provision in EYFS and in particular Nursery. As you are hopefully aware, we are providing 30 hours Nursery provision from September and are working hard to advertise this as widely as possible. There are flyers in the main school office if you are able to support us in spreading the word in any way. Your views, as current parents attending our Nursery, are pivotal in making sure that we are providing the best quality education for your children.

Please tick the appropriate box and feel free to add any comments in the spaces provided.

We have also added a section for your child / children to complete with your help

Thank you.
