

Welcome back ...

WHO ARE Friends?

FRIENDS are parents, relatives and staff. In fact, FRIENDS can be anyone who can spare a bit of time to help fundraise, through fun events and ideas. We are a small group volunteering in our own time. We would love to see FRIENDS grow, bringing fresh ideas and events to the children. As the proverb states, 'Many hands make light work'.

This is the last year for some longstanding FRIENDS and we will find ourselves an even smaller group in Sept 2020. In order to run all the events and continue raising £5000-£6000 a year, we need more members. There are so many different ways to help, whether it's on the event day, making something from the comfort of your home or attending a meeting with an idea.

A BIT MORE OF WHAT DO WE DO AND WHY?!

The FRIENDS organises events that the whole school and local community can enjoy, raising much needed funds for the school. These funds contribute towards equipment and resources which enhance the education and experience your child has at school. In the past FRIENDS have helped purchase the food technology area, library furniture, sports equipment, assisted with school trips and recently enhanced the Nursery area and much more.

FRIENDS meet roughly once a month to discuss and organise events, new faces are always welcome. The level of commitment is whatever you can give whether it be a full time committee member, helping out at events for half an hour or making buns. All support is much appreciated. 😊
