Dear Parents and Carers,

The children have had a settled start to their time back at school. As you are aware there a large number of children who have not been in school since March, they have shown enthusiasm and resilience whilst adjusting to our new ways of working.

As you can appreciate, plans on paper may need reviewing having seen arrangements in practice. There are a number of things I need your help with to keep everyone safe. Please see below:

1. At school drop off please encourage your children to line up in the Year group bubble straight away.
2. If you have younger siblings, they must stay with you at all times or until they line up with their class.
3. Please keep 2m distance from other family units at all times.
4. Do not let the children “play” in the playground. Do not use any of the climbing equipment. Avoid year group bubbles mixing – this limits the impact of year group closure if we receive a positive test.
5. Avoid standing and waiting – if the class teacher has arrived, please leave the playground using the one-way system in KS2 or designated gate in EYFS and KS1.
6. Avoid waiting on pavements surrounding school.

Thanks for your support with these matters.

Yours sincerely

Mrs Sarah Crowther  
Headteacher
