

Friday 14th May 2021

Dear Parents/Carers

To all our families who celebrate Eid, I send best wishes at this special time.

The COVID recovery roadmap is going to plan and each week that passes by we have glimmers of normal school returning.

Thank you for supporting Pyjamarama today. I am looking forward to seeing the children dressed up for National Numeracy Day on Wednesday 19th May 2021 next week.

Communication

As you are aware, our communication system has moved across to a provider called Arbor. We have received some recent correspondence around families not accessing emails. I urge you to download the Arbor App to your phones wherever possible. This will ensure you receive a notification when any communication is sent from school. For your information, we no longer use a texting service. All our communication is through Arbor. Please contact admin@myrtlepark.bradford.sch.uk if you require a link sending to set up the Arbor App.

Returning to 'normal' school.

As a school we are starting to plan our transition to 'normal school'. I can confirm that the timings of the school day will NOT change this Summer term. We are reviewing our risk assessment in line with restrictions lifting. We are aware any changes will be an adjustment for both children and staff that need to be carefully planned.

Nuts in school

A brief reminder that we discourage any products with nuts in school. We cannot guarantee our school to be 'nut free' due to the many products that contain traces of nuts. However, we aim to reduce the risks as much as we can for the children who have an allergy.

A reminder that we break up for Spring Bank on Friday 21st May and return to school on Monday 7th June 2021.

Yours sincerely

Mrs Sarah Crowther
Headteacher
